

IEEE BIBM 2024 Call for Sponsorship

Dec 3-6, 2024, Lisbon, Portugal

The IEEE International Conference on Bioinformatics and Biomedicine (BIBM) has established itself as the premier research conference in bioinformatics and biomedicine. IEEE BIBM 2024 provides a leading forum for disseminating the latest research in bioinformatics and health informatics. It brings together academic and industrial scientists from computer science, biology, chemistry, medicine, mathematics and statistics. The IEEE BIBM conference series started in 2007 has established itself as the top tier research conference in Bioinformatics and Biomedicine.

Sponsorship Opportunities

IEEE BIBM2024 offers a variety of sponsorship opportunities suitable for large as well as small organizations. The sponsors get visibility for their companies, demonstrate their support of BIBM related research and development, and contribute to the success of the conference. Four levels of sponsorships are available.

- **Diamond** Euro10,000
- **Gold** Euro8,000
- **Silver** Euro6,000
- **Bronze** Euro3,000

In-kind sponsorships that directly defray the costs of the conference are also welcome, (for example, sponsorship for a student travel scholarship, coffee break, reception, or banquet), in these cases, the sponsor name is prominently displayed.

Sponsorship Benefits

The sponsor of IEEE BIBM Conference at any level will be listed on the IEEE BIBM 2024 homepage, program guide, and conference proceedings and will be acknowledged during remarks.
